

RCW 13.60.11 Task force on missing and exploited children

- (1) A task force on missing and exploited children is established in the Washington state patrol. The task force shall be under the direction of the chief of the state patrol.
 - (2) The task force is authorized to assist law enforcement agencies, upon request, in cases involving missing or exploited children by:
 - (a) Direct assistance and case management;
 - (b) Technical assistance;
 - (c) Personnel training;
 - (d) Referral for assistance from local, state, national, and international agencies; and
 - (e) Coordination and information sharing among local, state, interstate, and federal law enforcement and social service agencies.
- (3) To maximize the efficiency and effectiveness of state resources and to improve interagency cooperation, the task force shall, where feasible, use existing facilities, systems, and staff made available by the state patrol and other local, state, interstate, and federal law enforcement and social service agencies. The chief of the state patrol may employ such additional personnel as are necessary for the work of the task force and may share personnel costs with other agencies.
- (4) The chief of the state patrol shall seek public and private grants and gifts to support the work of the task force.
- (5) For the purposes of RCW <u>13.60.100</u> through <u>13.60.120</u>, "exploited children" means children under the age of eighteen who are employed, used, persuaded, induced, enticed, or coerced to engage in, or assist another person to engage in, sexually explicit conduct. "Exploited children" also means the rape, molestation, or use for prostitution of children under the age of eighteen.

"Ego aside" Hi again, I got your email and I understand what your looking for and would love to try and help.. If help is even the right word.. My

understanding and hope is that you'll be an active participant. btw I'm a generous person. Hope we can all meet up soon Troy

Troy nice to meet you babe. We love generousity and would love to meet you. but can we go over a few thighs that will makes us feel safe and everyone comforta

WASHINGTON STATE PATRO

Ctan - Textexamples

Absolutely

great. so first I hvae a few options for you. are you into boys or girls. and what do you want as far as pleasurable activities. also are you into incest, if

Hi, so I'm in to girls and as far as activities - oral, giving and receiving, sensual massage, giving and receiving, intercourse - vaginal and anal if allowed.

Pleasurable spanking if allowed, sexual toys. Up for and in to anything really.

let lann – Text examples

my oldest girl is blossoming into a woman and is very good with toys. my youngest inst very active, but is good with oral. She wont do spannking.

she actually probably cant watch it happen either it woud scare her. so we owuld have to keep them seperate for that.

all of what you said works great. My oldest daughter is ready for full penetration, she can take my toys almost all of the way.

how big are you baby

hello

let lanny – Text examples

I'm not huge but a good seven or eight inches.

How old are your kids?

I'm totally cool, you can tell me. But if you don't want to say right now that's cool too

so you would be too big for my youngest.. she is nt very active at all, but loves touching and suckin g on things., she just turned 7. My oldest is 12, but

she looks like she is 15.

hello? I knew it was too good to be true.

UNDERSTANDING SEX OFFENDERS:
A FOUNDATION COURSE IN BEHAVIOURAL ANALYSIS

Course Overview

What Participants Gain

Dates and Locations

What can we learn from behaviour of individuals who may have a sexual interest in children?

Whilst few professionals can ever know the actual thoughts and behaviour of those who commit sexual crimes against children, this training enables practitioners to identify indicators that indicates sexual harm is occurring, has occurred or is being prepared for.

This course explores the psychology of child sex offenders and provides participants with a practical framework for recognising and correctly interpreting offender behaviour. Key learning points arm professionals to engage more effectively with offenders and/or to safeguard children in their care.

Topics covered include:

- Prevalence of child sexual abuse
- Myths and facts about child sexual abuse
- Introduction to behavioural analysis
- Theoretical perspective the spiral of sexual abuse
 - Motivation to offend
 - Justifications for offending
 - Role of fantasy
 - Grooming and manipulation
 - Abuse and sexual exploitation of children
- Women who sexually abuse children
- Organised groups of sex offenders
- Internet child sexual exploitation-implications for those that safeguard children

let lanny - nterviews

Getting to the point – ability to quickly assess your "opponent" Acknowledging - "Yes I did and this is Introspective how." I didn't think of it that way." Ambivalent - "I'm not sure." Resistant -"I don't want to do this." Entrenched -"I didn't do it."
